

ETDE FM Canada, a Total Facilities Management Company, is part of the Bouygues Group, a well diversified multinational organization. With successful projects and operations around the globe, we established our Canadian presence in 2008 and are currently active in British Columbia and Ontario, principally in the Public Private Partnership (PPP) market.

Position: Maintenance Supervisor
Location: Surrey, British Columbia
Salary: Dependent on experience + benefits

Motivated key individuals will be required to join our rapidly growing Canadian Operations Team. Our mission is to become the preferred provider of Total Facility Management Solutions in Canada. We are a people-centric organization that targets client satisfaction through respect, sustainability, open and honest communication, teamwork and a pride in making a difference.

We are currently seeking a Maintenance Supervisor within a leading edge, brand new healthcare facility located in Surrey.

Responsibilities include scheduling, supervising, reviewing and training staff in reactive, predictive and preventative maintenance over multiple shifts while maintaining a positive work environment. You must have a strong knowledge of HVAC Systems, Electrical and Plumbing Services, Life Safety Systems, as well as Building Management Systems. Proven strong client relations and communication skills, along with staff development and safety experience are required. As an integral member of our team, you must have the ability to work within a multi-disciplined workforce and supervise other related functions.

Your qualifications should include a minimum of five years of progressive facility maintenance management experience working within large public organizations, preferably in healthcare. This position requires computer literacy and familiarity with Microsoft Office and CMMS software. A B.C. Trades Qualification or IP (Red Seal) in a relevant Building Trade and a valid Class 5 B.C. driver's license are required.

Thank you for your interest in ETDE Facility Management Canada.
