Position: Building Engineer

Reports to: Engineering Team Leader

Posted: 7/5/2010

Science World British Columbia, a self-supporting non-profit organization, engages British Columbians in science to inspire future science and technology leadership throughout our province.

Position Description:

Under the direction of the Engineering Team Leader, you will be responsible with all aspects of the day-to-day maintenance of the physical facility and surrounding grounds. The position may require weekend shift as scheduled by the Team Leader.

Key Responsibilities:

- Perform and or coordinate installation, repair and maintenance of equipment related to facility including HVAC system, fire alarm system, DDC system, electrical, plumbing, life safety, utility equipment and other miscellaneous equipment.
- Working closely with the building engineering team to ensure all “service request” are looked after quickly and are done in a timely manner.
- Monitors, maintains and repairs Client Comfort Systems (CCS) including adjusting and updating computer programs and data as well as replacing, calibrating and adjusting system panels.
- Assists in verification and identification of all preventive & predictive maintenance of building systems.
- Assists in minor repair of exhibits as well as building repairs and renovations including plumbing, electrical, flooring, locks, interior/exterior painting, etc.
- Responds to emergency calls such as alarms, power outages and any other facility related emergencies.
- Other related duties as required.

Qualifications:

- Must possess a minimum of 4th Class Power Engineering Certificate
- Have a minimum of 5 years related experience in all areas of building operations and maintenance having an in-depth knowledge of HVAC systems, DDC system, life safety equipment and CMMS
- A self starter and works well within a team environment
- Able to handle light carpentry and painting
- Must be computer literate and have excellent interpersonal and communication skills both written and verbal
- Must be willing to work evenings, weekends and holidays

(All offers are subject to satisfactory completion of a police criminal record check.)
