## ASSOCIATION NEWS

### Recap: Annual General Meeting + April Luncheon

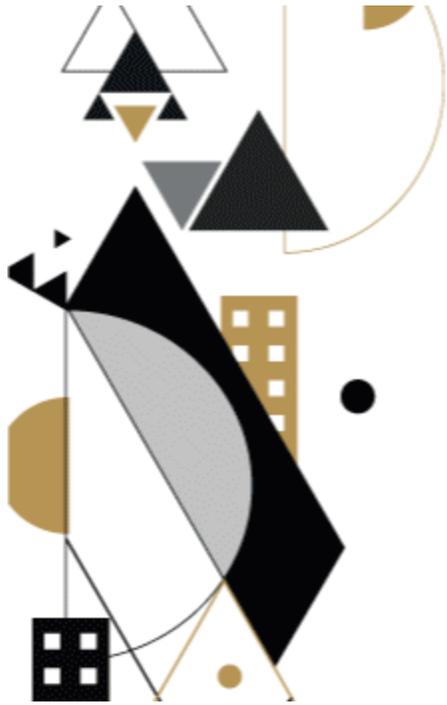

Last month's AGM welcomed several changes to our Board of Directors, including a new Chair, Vice-Chair and Treasurer. In addition, the Association elected four new directors to the Board and said goodbye to three outgoing members.

Our sold-out Luncheon included an absorbing presentation from QuadReal Property Group on their historic redevelopment project: 'The Post.'

## GOVERNMENT AFFAIRS

### Budget allocates for net-zero capacity building

Source: Canadian Property Management/REMI Network

The federal government is allocating more than \$706 million to fund research and development surrounding net-zero buildings as part of its goal to reach net-zero emissions by 2030. The program will be administered through Natural Resources Canada and the National Research Council.

## REGULATORY NEWS

### Consultation on Changes to Pesticide Legislation

BRITISH COLUMBIA | Ministry of Environment and Climate Change Strategy

On May 4, 2022, the Province of British Columbia launched a public consultation on proposed regulatory changes to ban the widespread sale and use of second generation anticoagulant rodenticides (SGARs). Although SGARs have become a common form of rodenticide due to their effectiveness, they can be exceptionally toxic to wildlife if accidentally consumed.

## GOOD TO KNOW

### Vancouver hikes empty homes tax to 5% of assessed value

Source: CBC

Vancouver councillors unanimously approved a tax increase on empty homes to encourage more rentals to combat the city's low vacancy rate. The new measure, which will come into effect in 2023, will require owners of empty houses to pay five per cent of a property's assessed value in taxes.

### Metro Vancouver: Wastewater Management Guide

Metro Vancouver has created a wastewater management guide to help building managers manage wastewater safely and responsibly.

**The guide provides practical and easy-to-use information, including:**

- 10 recommended practices to help manage wastewater safely and responsibly
- HVAC monitoring practices to help you track performance, troubleshoot potential issues, and identify maintenance needs
- An example maintenance log sheet to help track key parameters in cooling towers
- An overview of key regulations, including Metro Vancouver’s Sewer Use Bylaw

Guidance for educating building users to increase awareness and prevent costly plumbing issues
