## ASSOCIATION NEWS

### A message to you

BOMA BC would like to commend all of you for doing your best to navigate the new norm. Our members are working harder than ever, and many are dealing with new, stressful situations. Others are struggling to balance the needs of their family, staff, clients and tenants. On a positive note, we're all getting through this one day at a time. Don't forget to remind yourself every single day of the challenges you've overcome since March. Be easy on yourselves and on everyone else. Recognize and celebrate the small successes. And don't forget to reach out for help from a trusted family member or colleague if it's starting to feel like it's too much.
